

Severe Weather Policy

On rare occasions the weather can be so severe that getting to and from school can become hazards. In such cases you may be asked to collect your child early from school or advised on a later drop off time.

If heavy snow falls overnight please call the school in the morning, an email or text message will be sent out to parents to confirm the schools closure.

In these circumstances the school will not refund any fees as weather conditions are beyond the control of the school.

Staffing

Please note- some members of staff have to travel considerable distances and may be given extra time for their journey to and from school, some members of staff may be advised not to make the journey in to school in severe weather conditions.
